

IAS STAFF MEETING MINUTES

22 September 1972

PRESENT:

1. [] reported on the DDI Executive Council meetings he attended this week at Headquarters.

a. Dr. Proctor noted that the historical display on the Cuban Missile Crisis in the D corridor at Headquarters was well worth seeing. This display commemorates the 25th anniversary of CIA.

b. There will be a DDI Career Board on supergrade promotions next Tuesday, 26 September 1972.

c. Nominations for the Senior Seminar are being asked for at this time. Nominees must be a grade 15 or higher.

d. It was announced that George Allen was selected as Director of IAS and [] was appointed Deputy Director []

e. Mr. Eisenbeiss directed our attention to [] on Security Classification Procedures. Two major changes were noted: (1) The term "Approval of DCI" will no longer be used to exempt a document from the General Declassification Schedule. The phrase "Impossible to Determine" will be used. An abbreviation "E ___ IMPDET CL BY ___" can be used on documents remaining inside CIA. (2) The employee serial number will be used in place of the position numbers formerly assigned. Questions on security classification should be directed to [] [] Also, the warning notice for sensitive sources will be used on all compartmented intelligence.

2. Mr. George Allen will report to IAS on 2 October.
